VOLUME TWENTY-FIVE, NO. 32

UPLAND, SAN BERNARDINO COUNTY, CALIFORNIA, FRIDAY, DECEMBER 12, 1919

\$3.50 PER YEAR

GROUND BROKEN FOR AN ADDITION TO THE COMMERCIAL NATIONAL BANK

PART WILL BE USED AS OFFICE FOR INGALLS, KANKEL AND GRIER

Other Part Will Be Used as Directors' Room and Old Directors' Room Will Be Utilized for Posting Machines.

A contract was let yesterday to Messrs. W. C. Cline and R. R. Wisely for the erection of an addition to the Commercial National Bank and this morning workmen broke ground for the foundation of the new building.

The addition will be 23x30 feet, occupying the entire space to the alley from the present rear wall of the Commercial National Bank. Fifteen feet of the building from the alley west will be made into a modern office room and will be leased to Ingalls, Kankel and Grier, real estate dealers.

The other fifteen feet will be utilized as a directors' room while the present directors' room will be made into a safety deposit box compartment as well as giving a room in which the bank's posting machines are to be located.

Cashier Moore of the Commercial National stated this morning, "It's going to be worth the cost of the new building to get those posting machines out of the main bank into a room far enough away so that it doesn't interfere with the transacting of banking business. We have been endeavoring for many months to work out some plan by which we could eliminate the noise of these machines. Posting machines are a valuable asset to a bank but if some could be made with the noise left out, it would be appreciated by the Commercial National and hundreds of other banks as well."

"With business growing bigger every day and almost by leaps and bounds, our present quarters have been cramped and when Supervisor Grier stated that he needed an office on the ground floor, providing him with an adequate office, it's only solved his problem but it's going to be a great relief to us and a great advantage to patrons of the Commercial National and Citizens Savings Bank."

WHERE TO WORSHIP ON SUNDAY NEXT

Methodist Notices
All are invited to the worship of God at 11 a. m. The service has as its purpose a community opportunity for all who desire to realize the help and comfort of God's presence.

Sunday School at 9:45 a. m. Sunday. The new Philathea class of girls, taught by Miss Gladys Riley, has so outgrown its small quarters that a partition is being taken out and a new room provided.

"The Magnetic Christ" is the sermon topic for Sunday evening at 7:30. The third lesson in the series of Bible Study of Jesus' Parable will be given at the Epworth League Sunday at 6:30 p. m. The words of Jesus are "acres of diamonds."

The Intermediate League meets in Crowell hall at 6:30 Sunday evening. All young people of the seventh and eighth grades of grammar school and of the first year of high school or the ages thereabout are invited. Principal M. E. Hill is superintendent.

Miss Ruby Moser presents the topic "Conviction Better Than Discussion" at the prayer meeting on Wednesday evening. Miss Moser is superintendent of the Beginners' department of the Sunday School.

Dr. Jesse L. Corley, superintendent of the Methodist School work for Southern California, will be with us Thursday evening, December 18. Every Sunday School teacher and every officer is invited and requested to be present.

A White Christmas, in California, is being planned by the committee.

Nazarene Church
The services in the Nazarene church are increasing in attendance. Each Sunday we see new faces and many are getting interested in the evangelistic preaching and enjoy the singing of the beautiful songs of Zion. The services next Sunday will be along revival lines and the pastor will preach sermons that will be helpful to all who attend. The quartet will sing both morning and evening and their singing is of the highest order.

The morning prayer meeting at 9:15 is in charge of Mr. Christian and is a great inspiration to all who attend. Sunday school at 9:45 a. m. Lively praise service of testimony and song at 7 p. m. Old-fashioned revival meeting at 7:30 p. m. Mid-week prayer meeting on Wednesday evening of each week.

The Friday evening prayer meeting this week will be held at the

LISTEN MY DEAR AND YOU SHALL KNOW

OF THE ALL-DAY RIDE OF
JOHN D. HOWE. 'T WAS
IN DECEMBER 1919

Up the Village Street He Sped—
But "Lizzie" Stopped in Dis-
tress and to Close a Perfect
Day Jumped Into the Manger.

There's an addition to the John D. Howe automobile family—

It's a Ford. The reason for its purchase was that the work of Mr. Howe necessitated more assistance and having heard of the faithfulness of the famous Henrys, Mr. Howe decided that he would give his luxurious Lexington a little less of standing out in the open, and at the same time do his work just as well.

Mr. Howe has had said Ford three days and during those three days his business has rambled on as best it could, for John D. has found it necessary to devote his entire time to "Lizzie"—meaning the Ford, and is now firm in the opinion that a Lexington is fool-proof but it takes a real man to drive a Ford.

The first day proved one of those rare days when man and machine suffered untold agonies. How many times Lizzie was cranked John D. doesn't know and Lizzie is ashamed of it. A friend of Mr. Howe's stated that four times between Graham's Supply Station and Euclid avenue did said Ford come to a stop and as often did John D. grab hold of the commender and while he cranked there ran through his mind those immortal words, "Breathes there a man with soul so dead, who never to himself hath said, This is my own work?"—and then Lizzie sputtered and went.

But evening came and as John D. wended his way home for a needed rest there no doubt occurred to him, "Count that day lost, whose low descending sun—"

Mr. Howe and his new purchase arrived at home sane and safely and the entrance through the door of a former stable was made, but when it came to stopping Lizzie her driver threw in the clutch and Lizzie jumped.

"With business growing bigger every day and almost by leaps and bounds, our present quarters have been cramped and when Supervisor Grier stated that he needed an office on the ground floor, providing him with an adequate office, it's only solved his problem but it's going to be a great relief to us and a great advantage to patrons of the Commercial National and Citizens Savings Bank."

After the lunge was over it is said of John D. that he sat down and wept, for though day was over his work had just begun—that con- siderable Ford—must be got- ten out of the manger, and back- up was something that Lizzie simply wouldn't do.

More cranking proved fruitless, and discovering the lights were on, Mr. Howe turned then off, having heard that a Ford would never start with the lights on—and sure enough she did. But backing up was "no" name for the way Lizzie got out of the manger; she simply hopped out, then came to a full stop with one half of her workings in the barn and the other half shivering in the chilly night winds. There she stayed while her driver dreamed dreams of a day's work with nothing done.

home of Mr. J. T. McPherson, 742 11th street. These special prayer meetings will be held each Friday evening in different homes preparatory to the special revival meetings that are to begin the first of January.

Evangelist Earl E. Curtis of New York will be in charge and Miss Margaret Prator, the noted gospel singer, of Los Angeles, will conduct the singing, assisted by the Nazarene quartet.

Presbyterian Church Notices
Next Sabbath will be "New Era Day" at the Presbyterian church. The subject for the morning service will be "Neglected Ones." The subject for the evening, "The Light of the Face." The pastor is to speak. Reception of members at the morning service at 11 o'clock.

The Junior C. E. meets at 3:30 in the afternoon. The C. E. Missionary Study Class meets at 6:00 p. m. The Church Missionary Study Class meets at 6:30 p. m. The new superintendent will be in charge of the Sunday School. This is to be an important day, as preparations are being made for the Christmas exercises and all should be present. Sunday School meets at 9:45 a. m.

St. Mark's Church
Next Sunday being the fourth Sunday in Advent, the services at St. Mark's church will be as follows: Sunday School at 9:45. The rector will preach at the 11 o'clock service, the subjects of his sermon being "Prayer."

First Church of Christ, Scientist
Sunday services in the chapel on West B street, Ontario, at 11 a. m. Sunday school at 10 a. m. Subject for Sunday, December 14: "God the Preserver of Man." Wednesday evening testimonial meeting at 7:45.

Lutheran Church
Services in the Odd Fellows hall every Sunday afternoon at 2:30. Subject for sermon next Sunday: Stewards of God. Text: 1 Cor. 4:1-5. Everybody welcome.

Mrs. L. E. Kronmeyer spent a few days in Los Angeles this week shopping and visiting her sister, Mrs. Williams.

VACATION DAYS AT CHAFFEY UNION HIGH

SENIORS BEST THE FACULTY
IN HARD FOUGHT BAS-
KETBALL GAME

Girls' Glee Club Honored by Being Asked to Sing for Teachers at Both San Bernardino and Los Angeles.

The seven hundred fifty students left Chaffey this afternoon, with joyful anticipation of two weeks of vacation. Many pupils are planning for mountain camping trips, others are this evening taking their work clothes out of the moth balls, that they may put in a few days of toil, while all look forward to a happy Christmas season.

The teachers took a little more of their vacation time to attend school at San Bernardino and Los Angeles next week. The sessions of the institute are most interesting, but there has been little time for Christmas shopping.

The sessions of day school will be resumed Monday, Dec. 30, while the evening classes will be reorganized a week later.

The music department of Chaffey has been signally honored in an invitation to furnish music at one of the sessions of the big meeting of all the teachers of Southern California in Los Angeles next week. Soloists and the Girls' Chorus will participate in the meeting by motor bus.

San Bernardino also has asked for more music of the Chaffey brand, and the music department will send over a program.

The growth of the music work at Chaffey has been phenomenal, and this year eight teachers of voice, piano, and string instruments and hundreds of pupils. As a result, Upland, Ontario, and the entire Chaffey district is being known as a music center.

Faculty Fall Before Seniors
The seniors of their innings yesterday when their team faced the faculty five in a life and death struggle in the basketball court. The game was hard fought from the start, but the seniors, fresh from the interclass series, located the basket for six points, while the faculty were ringing the bell for two scores.

The second half was a revelation. The seniors of the ancient pedagogues loosened up and they played the seniors to a standstill and better, garnering in seven points to their opponents' seven. The seniors sighed with relief, and carried off the game by a scant margin of 11-9. The senior five included Reeder, Hippard, Lucas, Donnelly, and Rucker, while Walter Hall, Horace Moore, Ernest Fischer, Chas. Perrin and Verne Nichols fought the good fight for the faculty.

Football Letters Awarded
It's a sure thing that Santa Claus will not be able to forget the boys of the Chaffey football team, for this morning the seniors were awarded the orange and black letters to the team members, and somebody must give them nice sweaters for Christmas. The Chaffey team played the season out in splendid shape, though the team was inexperienced and light. The Riverside game was a good exhibition of the game as we have had in many months. Under the leadership of "Mike" Dickson, captain-elect, the football fans are already seeing visions of championship cups and the silver football that once graced our halls, emblematic of the championship of the state of California.

Chaffey Tatter Wins New Laurels
The Chaffey Tatter which has for years been published through courtesy of the Ontario Publishing Company as a part of the Ontario Daily Report, has received many compliments upon its appearance simultaneously in the Upland News. Practically one factor that has contributed to the interest the community has in our school has been the weekly visits of the Tatter.

The Upland edition was on the streets of this town for the first time on Tuesday, in the Semi-Weekly issue of the Upland News-Weekly News.

The big auditorium at Chaffey will be packed to the doors again tonight for the Grand Chaffey Concert, featuring the Girls' Chorus of 55 voices, the Boys' Glee Club, and the Chaffey Orchestra. The concert comes as the fourth number of the Chaffey Concert Course, and Directors S. Earle Blakeslee and Fred Wilding, Jr., promise that it will keep up to the musical standard set by other numbers.

Upland is represented by a large number of singers and members of the orchestra, and is especially proud to claim two of the soloists of the evening, Geneva Moreman and Frederick Trunkfeld. Melville Wing of Ontario is the other singer who takes a leading part.

There are still twenty-five or thirty seats for sale for the evening, but they will be taken at once, and those who have not season tickets should be at the box office at 7:15.

The curtain will rise promptly at 8:15 upon the first number of the program, a group of songs by the Girls' Chorus.

R. F. LEMON NAMED VICE-PRESIDENT OF FIRST NATIONAL BANK OF UPLAND

UPLAND WILL HAVE NEW
SAVINGS BANK IN
NEAR FUTURE

Officials of First National Bank
Announce Plans for New
\$35,000 Building to Take Care
of Increasing Business.

R. F. Lemon is today vice-president of the First National Bank. The First National Bank starts the erection of a new bank building, the initial work being that of tearing down the frame building that was vacated by Benson's Cash Grocery.

On the completion of the new bank building a savings bank will be conducted in connection with the First National.

The above announcements are not only gratifying but somewhat surprising as well, for when R. F. Lemon recently sold his stock in the Commercial National Bank and also disposed of his beautiful home on Euclid avenue, it was expected that Mr. Lemon would locate elsewhere.

Events of the past day or so have changed things considerably, and Chas. V. Barr, president of the First National, stated to a News representative this morning, "The First National children would remain right here, but Mr. Lemon has joined the First National. Such men as Mr. Lemon, and such families as his, are the sort of people we want to assist in building a bigger and better city."

"Plans for the new building are in the making and I am sure that the new banking house is complete the people of the city will indeed be proud of it."

It appears to me that the opportunity is now here to place this ideal city to the forefront and with every man and woman pulling in the united effort for greater things, we can grow and prosper as never before."

A News representative called Mr. Lemon on the phone and expressed his delight that he and Mrs. Lemon and the children would remain residents of the city of Upland. In reply Mr. Lemon stated, "I certainly appreciate your remarks, and I'm delighted that the Lemons will remain in Upland. You know there never was a better class of people on the face of the earth than we have right here, and Mrs. Lemon and the children, as well as myself, feel highly elated that we are to remain."

The New Bank Building
Although the plans for the new First National Bank building are not complete, the size of the building will be 45x90 feet, this being the space occupied by the present building and the present banking house. The interior is to be strictly modern in all its features and the First National is to have a new home which will be proud of the town will be proud of the new bank and its modern furnishings will be \$35,000.

The New Savings Bank
The savings bank is to be connected with the First National to a section of the interior devoted entirely to the activities of the savings bank.

Colonial As Santa
Christmas Night

Manager W. L. Pettingell, of the Colonial Theatre, Upland, is very busy these days, preparing a big Christmas affair for the popular amusement center, for Christmas night. Merchants of Upland, almost without exception, have been solicited, and have donated many articles which are to be given, absolutely free, to holders of the lucky coupons, on the night of the "gladdest, merriest day of the year."

A glance into the windows of the various business houses of the city is ample proof of the real value and desirability of these gift articles. Upland merchants never do this sort of thing in half-hearted way. They are donating a class of articles, any one of which is worth securing, and these gifts are to go, on Christmas night, to the lucky ones who are present, with the proper coupons, at the Colonial. Starting Monday, until Christmas coupons are given to every patron attending the theatre; save these coupons for the popular big crowd sure to be on hand at the Colonial, Christmas night, and be in the "feast of good things," not only in pictures, but also in the distribution of these gifts. There is to be a big Christmas tree, Santa Claus, all topped up for his errand, and immediately following the one show, to be given that evening, Santa himself will take the reins of the management and the big selection and distribution of numbers will go on, until all the articles have been awarded the holders of lucky numbers. The cards displayed in the store of the various merchants, daily, are calling your attention to the articles of prizes, and already the matter is awakening an intense interest.

It has been quite a task to interview all the business houses, in this

GOOD ROADS ADD TO OUR EFFICIENCY

MANY GOOD ROADS ADDED
THRU EFFORTS OF SU-
PERVISOR GRIER

East Nineteenth Nearly Completed and Will Give Alta Lomans Direct Road to Euclid Avenue. Canyon Road Improved.

One of the main features which stands out prominently among the events of the past few days in Upland is the inauguration of several pieces of road work, which will add greatly to the many perfect highways in the section.

Nineteenth street east of Euclid avenue is ready for the concrete and by Saturday night the sub-grade for the stretch across the wash will be complete. On Monday morning the pouring of the concrete will commence and within a few weeks the road will be ready for traffic.

Another piece of road work which you will greatly appreciate on your next trip into San Antonio Canyon is that stretch from the end of Mountain avenue at Twenty-fourth street to the toll gate. Stage and truck drivers are especially appreciative of this work and the road is the best in its history.

Other road work nearing completion is Turner avenue in Cucamonga, while on Monday the Board of Supervisors let a contract to the R. T. Shea Company for the improvement of Agate and Palm streets in Cucamonga district.

All of the above road work is the result of the endeavor of Supervisor C. E. Grier and to him belongs the credit. The Cucamonga roads have been needed for many years, not only as thoroughfares but as water carriers during heavy rain storms.

The thorough improvement of that stretch of road from Twenty-fourth street to the toll gate is something that we have almost longed for, and now that it's here the work of Supervisor Grier is thoroughly appreciated.

The completion of Nineteenth street gives the people of Alta Loma direct connection with Euclid avenue and thence to Upland and it's a long-felt want relieved.

matter, and the committee which has had in charge this work begs to announce that, in case any merchant has inadvertently been overlooked in this connection, it should not be considered as a personal or intentional slight, but simply an oversight. The names of those merchants who have contributed articles, together with a list of the prizes they are offering follows:

O. P. Brady—Pyralis Ivory ball; box of Johnston's cigarettes; box of Garcia cigars; box of Christmas stationery; pin; vacuum bottle. C. W. Dwyer's Transfer and Feed Store—Click and Hen feed.

Kintz's Grocery—1 lb. Plantation coffee; 1 can asparagus tips; 1 can peanut butter; 1 box crackers; 1 box deviled meat; 1 box deviled tuna. Johnson & Brown Grocery—1 lb. coffee; 1 lb. tea; 1 lb. baking powder; 1 can pepper; 1 can ss soap; 1 package cookies.

Henry Klindt Grocery—1 lb. Gold State butter; 1 can Iris pineapple; 1 can Iris Peas; 1 lb. can Iris coffee.

Upland Cycles—Electric flashlight. H. J. White Smoke House—Cigarette case.

George B. Bower, Jeweler—Cut glass vase.

J. J. Atwood Co.—Felt slippers.

Mehl Hardware—Thermos bottle.

Campbell's Ready-to-Wear—Pair Holeproof silk hose.

Kirkwood's Barber Shop and Cigar Stand—1 box cigars.

Commercial National Bank—Box of apples.

Russell's Cash Meat Market—1 cured ham.

Wilson's Toggery—Men's dress shirt.

Upland News—Order for paneled calling cards.

Victory Cafe—Order Sunday dinner for two.

Sikes-Manker Co.—Decorators—Framed picture.

Robert Weiss, Hardware—Roller skates.

Nelson's Bakery—Box fancy eatables.

Graham's Supply and Filling Station—Auto Theft Signal.

Pioneer Meat Market—5 lb. pork pure lard.

Danner's Bakery—Decorated Fruit cake.

Mac's Drug Store—An assortment of various articles—Mac says they're good.

Roy Creighton, Supply Store—Baseball bat and glove.

Orange Belt Confectionery—Big candy can.

Franklin's Second-hand Furniture Store—New comb, kitchen stool and ladder.

Star Grocery—1 lb. coffee; 1 can corn; 1 box dried peaches; 1 package raisins.

Swann's studio—Album.

First National Bank—Case of nuts, raisins and dried fruit.

Gerry Hat Shop—Box Handkerchiefs.

Upland Book Store—Fancy box stationery.

A. L. Palla, Jeweler—Clock.

McLean's Shoe Repair Shop—One case ass. polishes.

Reynolds Press—Order for 250 printed envelopes.

Colonial Theatre—20 twenty-five cent tickets for the show, "Back to God's Country."

ANNUAL MEETING AND DINNER SOON

TUESDAY NIGHT, DEC. 30TH,
WILL BE NEXT OPEN
MEETING NIGHT

Annual Meeting and Dinner to Be Held During Month of January. Chamber Donates \$100 to American Legion.

Tuesday night, December 30th, is to be the open meeting of the chamber of commerce, according to a decision made by the board of directors in a meeting held Wednesday night at the club rooms and the evening promises to be a large one, for on the program committee are R. R. Wisely and R. F. Lemon.

Annual Meeting and Dinner
The annual meeting and dinner of the chamber of commerce is to be held some time within the first two weeks of the month of January and it is the plan of the committee to make it another one of those memorable evenings, for the chamber of commerce has an excellent record to credit and much has been done in behalf of the city. The committee in charge of the annual meeting and dinner is made up of C. E. Grier, E. W. Fischer, C. V. Barr, John D. Howe.

\$100 to the Legion
It was reported that the chamber of commerce meeting that the American Legion was in need of a small amount of money to defray the expense of getting their organization under way and to that end the directors decided that as many members stayed at home during the war and did nothing but buy bonds, war stamps, and give to every cause as well as boost for every campaign that was launched, it was up to the chamber of commerce to provide some of the money the boys of the American Legion needed. The directors provided some \$25 and a committee headed by Chas. V. Barr will get the rest of the one hundred together and turn it over to the Legion.

Upland Post, No. 73, of the American Legion held its regular monthly meeting last Tuesday evening at headquarters, the chamber of commerce club rooms, with ninety members present. A motion was formed that a letter of thanks and appreciation be sent to Mrs. James Paul for the wonderful flag she presented to the Post; also a letter to the choir of the Presbyterian church for the beautiful music given at the vesper services which the Post attended. A letter of thanks to the chamber of commerce for the use of their club room was ordered written.

A bulletin, relative to the I. W. O. situation, was read by Comrade Sumner Reynolds, which is as follows: "The State Committee on Americanization requests that you immediately appoint a local committee on Americanization in your Post."

Washington, forcibly and vigorously discloses to us the existence of a determined radical revolutionary movement in the United States, and indicates the necessity of combating that movement by a strong, constructive American propaganda. It has become absolutely necessary to Americanize resident citizens as well as the alien within our gates, in order to avert the recurrence of such a calamity and to provide for the future welfare and orderly progress of our country.

"The State Committee suggests that your local committee could function as follows: (1) Adequate steps must be taken for the suppression of all anti-government and anarchistic activities. Your Post should proceed to gather evidence showing violation of law by those who preach the doctrines of violence, and this evidence should be presented to your local officials and the enforcement of our state and local laws demanded. Laws have recently been passed to care for this situation, and if your local officials perform their duties, there will be no need to resort to the rule of mob in preference to the rule of law. The American Legion, standing firmly for law and order, must see that the authorized officials act in these matters so as to prevent lawlessness of any nature."

"(2) Illiteracy on the part of natives and aliens must be wiped out. Your Post must realize that no man can become an American unless he is able to read the language in which the principles of Americanism are set forth, and unless he is able to communicate his thoughts in the same language. The United States Congress has recently passed a bill providing adequate funds for such purposes, and it is the duty of every local Post of the American Legion to bring pressure to bear upon state officials to secure a portion of these funds for educational activities in this state and to carry out the objects of that Americanization measure. We must educate and assimilate those aliens who desire to become Americans, and we must offer them the opportunities to learn the elements of our democratic government."

"(3) The most important task your committee can assume is to convey to the American public an accurate knowledge of the institution is founded. Our citizens and residents must be made to realize that the cornerstone of our state and democratic government is the principle of effecting changes by popular will expressed at the ballot, and not by revolution. The law must be emphasized that any change can be accomplished by the will of the people without resort to arms and violence. This is the principle that differentiates our country from all other countries, and because of this our country need not, and will not, permit to exist revolutionary methods of change as is advocated by beighted aliens who lack an understanding of our institutions and traditions. We are a free people who rule by intelligent and just understanding and not through the methods of assassins."

A committee was appointed to look into the matter of a rifle club and another one chosen to see about securing the Colonial Theatre for two nights for a show in the immediate future. After the business was finished refreshments were served and a regular night in the barracks was spent in fighting over again the battles in which the veterans had so lately been engaged.

An enumeration of the mines and quarries of the United States was made for the first time in 1840.

ONTARIO POWER CO. SUPPLIES "JUICE" TO HUNDREDS OF APPLIANCES

"ELECTRICAL HOME" IDEA
SPREADING RAPIDLY
DUE TO WOMEN

Spread Shows Influence of Women's Thought upon Manufacture of Things Practical for Use in Home.

That woman's thought along practical lines is having its influence upon commercial progress is, perhaps, best shown by the increased demand for electrical home equipment. Manufacturers of these appliances are giving close attention to woman's needs and woman's suggestions, and are improving and adding to their lines labor-saving home appliances. What is being done locally in the way of the development of the "Electrical Home" is an interesting story.

The Ontario Power Company has furnished the following information as to the electrical appliances on its lines, as of July first, 1919:

No. of residences served, 2458.
Electric ranges, 253.
Cooking stoves, 132.
Ovens, 150.
Water heaters, 106.
Vacuum cleaners, 334.
Washing machines, 221.
Hedlite heaters, 114.
Air heaters, other than Hedlites, 153.
Irons, 2207.
Toasters, 764.
Percolators, 413.
Grills, 10.
Sewing machines, 31.
Warming pads, 272.
Chafing dishes, 27.

Making a total load connected to the lines of 4338 kilowatts. In addition to the appliances, there were 34,412 residence lights connected to its lines, making a residence lighting load of 1720 kilowatts, or a total residence load of 6058 kilowatts, or 9420 horsepower. This about 2 1/2 kilowatts per residence. The commercial connected load July 1st, 1919, was 3871 kilowatts, making a total load connected to the lines of the Ontario Power Co. at that date of 9929 kilowatts, or 13,300 horsepower. Since July 1st, there have been added to the lines of the Ontario Power Co. 62 washing machines, 66 vacuum cleaners, 38 air heaters and many of the smaller appliances, increasing the commercial residence load by approximately 300 kilowatts.

This shows that the idea of the Electrical Home is firmly established in this locality. The growth of the electrical home idea is not due to whim or fad, but is based upon real merit. The household appliances certainly reduce the work in the home and make the work pleasanter—gives a woman more leisure for the many things that, these days, are demanding the thought and attention of women.

The "Electrical Home Idea" is purely woman's idea and results from the search for ways to relieve the housewife, partly from the many time consuming duties of home upkeep. The ready-to-hand electrical appliances furnished the means woman was looking for to lessen the time and expenditure of energy required for the proper care of the home and they are looked upon, in an increasing degree, as necessities of home equipment. That the demand for such appliances is increasing for house uses, exceeds the facilities of the manufacturers is shown by the fact that many dealers are unable to keep on hand a full line of appliances, and many orders are being taken for future delivery. Manufacturers are furnishing certificates to the dealers to be delivered to customers to insure their priority of their orders.

All of this shows the influence of woman's thought upon the modern line of manufacture. The world is beginning to realize what an important influence woman's thought has upon commercial activity.

tions upon which this government is founded. Our citizens and residents must be made to realize that the cornerstone of our state and democratic government is the principle of effecting changes by popular will expressed at the ballot, and not by revolution. The law must be emphasized that any change can be accomplished by the will of the people without resort to arms and violence. This is the principle that differentiates our country from all other countries, and because of this our country need not, and will not, permit to exist revolutionary methods of change as is advocated by beighted aliens who lack an understanding of our institutions and traditions. We are a free people who rule by intelligent and just understanding and not through the methods of assassins."

A committee was appointed to look into the matter of a rifle club and another one chosen to see about securing the Colonial Theatre for two nights for a show in the immediate future. After the business was finished refreshments were served and a regular night in the barracks was spent in fighting over again the battles in which the veterans had so lately been engaged.

An enumeration of the mines and quarries of the United States was made for the first time in 1840.

The Christmas Store

FOR THE COLONY

We have been fortunate to get a good supply of the various Toys, Games, etc., to make the kiddies happy for Christmas. But practical gifts have not been left out—such as Fancy China, Glass and Cut Glass, Aluminum, White Ivory, Leather Goods, Hot or Cold and Thermos Vacuum Bottles, Hosiery, Neckwear, Stationery, etc., etc. By the way, we have the new Aeroplane Toy (Hi-Flie)—every boy wants one. Do not wait too long for making your selections, or the things you may want will be gone.

HAURY'S VARIETY STORE
Christmas Headquarters

Mr. Busy Rancher:

A J. I. CASE TRACTOR will save your valuable time, and time's money.

Its short turn and self steering device make it the ideal Tractor for grove or general ranch work.

There's bulldog power in her engine, and plenty to spare.

When all's said and done, a demonstration is what counts. When can we show you?

Caught on the First Bounce

By S. M. GREENE

The Monrovia Daily News found an ad in a neighboring paper the other day, advertising for sale "Two highly bred cats. At home evenings." The New York Mail once had this want ad: "Wanted—House in country by couple with no children, till October."

W. K. Kellogg, the famous manufacturer of patent breakfast foods, passed through Glendale last week on his way to Japan, probably for a change of diet.

The Redlands Chamber of Commerce and the High Chamber of Commerce, which have been in a squabble over road matters for some time, have agreed to bury the hatchet, but both will probably leave the handle sticking up far enough so it can be grabbed again in case of emergency.

Attorney general Palmer urges people to wear their old clothes a little longer. If he means the skirts that some women wear, we second the motion.

A party of Redondo Beach people combined business with pleasure in a trip to Torrance the other evening by attending a revival meeting and afterward visiting the glass factory.

Norwalk can now sleep better of nights, as her city council has just purchased a hose cart and 500 feet of fire hose, which the agent guarantees will reach to the top of any building in the town.

The Santa Ana Register records the arrest of a man charged with stealing \$75 worth of shoes from a box car. We don't see what he wanted with both pairs at the same time.

The Hollywood Citizen announces an enthusiastic new resident from Missouri named Mr. Garlick, who is already strong for California.

The Glendale News in its society column records what it calls a "Full Thanksgiving Day." In the opinion of our humble appetite, that is exactly the kind of a day Thanksgiving ought to be.

A woman at Long Beach, says the Telegram, died there the other day just two years after her husband had passed away, which verified a prediction she received through a "spirit world message" shortly after his death. That revives the old query as to just how much influence our thoughts and beliefs have over our bodies. The instance of the man who died when told that his wrist arteries had been opened and that he was bleeding to death while he was blindfolded, is recalled. His wrist was not even cut, but he thought it was and was mentally sure he was dying, so he died. It will never be known whether it was his mental belief or a weak heart that killed him, however. And so with the Long Beach lady. She probably drilled her mind so firmly into the belief that she would die in two years, that it actually helped her to die. And if she got any pleasure out of the fulfillment of her prophecy, let her have it and be welcome, say we.

The Paso Robles Star made us feel very badly in a recent issue, by recording that 22 tons of prunes had been raised from only six acres up that way. If prunes are as prolific as that he outlook for getting them all eaten up eventually is most discouraging.

Eastern press reports tell of nineteen people burned to death in a dance hall. One commentator remarked that if it had been a prayer meeting it probably wouldn't have happened. Did he mean that there wouldn't have been that many people there?

The Hollywood Citizen remarks that if the Riverside doctors persist in their strike for higher charges, the people may have to keep well in sheer self defense.

Inglewood has sold the bonds she issued to buy the local water plant and develop more water. She has found that most plants grow by giving them plenty of water.

The Upland News warns housewives against believing strange men merely because they claim to be meter readers. So be careful, ladies, and don't do any indiscriminate visiting, no matter how hungry you may be to have a man who will stop and talk, unless he can show credentials as a bona fide huckster, or a grocery solicitor, or a laundry wagon driver, or some other of the legitimate professions that help to while away the dreary hours for the housewives.

Service

TO US—this much used word "Service," means personality, responsibility, quality, courtesy and scope. We feel it is more than a "catch phrase" and with us its meaning goes way below the surface and becomes apparent in every transaction we have with our customers.

REGARDLESS of the size of your business, we invite you to test the service of this strong, fast growing bank. Let us show you the character of the cooperation we are in a position to give you.

Of Paramount Importance

In selecting a banking connection is unquestioned safety—and this is amply assured in this Government—supervised institution.

Other vital elements which go to make a financial institution a real "banking home" are efficiency, courtesy, friendly interest and co-operation—these are fixed features of our policy.

New business is cordially invited.

At the touch of a match

No waiting for fires to come up, no unnecessary work, no waste, when you use a good oil cookstove and Pearl Oil. Bakes, broils, roasts, toasts—economically. Concentrates a steady heat on the cooking—leaving the kitchen cool and comfortable.

Pearl Oil, the Standard Oil Company's kerosene, is one of the most convenient and economical fuels you can use. Easy to handle. It is refined and re-refined by our special process which removes the impurities. It is clean burning.

Pearl Oil is for sale in bulk by dealers everywhere. It is the same high-quality kerosene as the Pearl Oil sold in five-gallon cans. There is a saving by buying in bulk. Order by name—Pearl Oil.

OH, BOY! Have you seen the toys at the Orange Belt Emporium? Wow! but they're fine. It is the best bunch of toys we have ever offered to the public of this section. There's everything a boy or girl would want for a Christmas present.

We've got the real steam engines, the kind that will whistle and blow off steam and will furnish power for other mechanical features. Such presents as these for the boy.

And then there are the dolls—the daintiest and prettiest and best dressed dolls. There are tables with chairs to match that little girls can use in holding parties, and the china dishes to go on the tables, with aluminum and enamel ware kitchen sets to prepare dainty meals for little girl friends.

But this isn't all. There are educational toys, many of them, and games. And when it comes to speaking of games, don't forget the older boys and girls. There are games for all ages.

In this page we are mentioning just a few. There are hundreds of others—too many to count. Come and see them. But here's a word of warning—don't wait until the last minute. The very article you may want most may be sold if you delay too long.

LARGE ASSORTMENT OF— **VELOCIPEDS** **AUTOMOBILES**
EXPRESS WAGONS **SCOOTERS** **AEROPLANE RIDERS**

Service, Quality and Efficiency in Job Printing at The News

had the correct answer, the woman who is going to run for mayor at the spring elections—these, and many others, were in evidence. The cream of the whole thing was the address by Mrs. James Beveridge on "The Duck Bill Platypus of Potsdam," a most inspiring talk, and convincing.

Proceeding the burlesque a piano solo was rendered by Mrs. Farmer, a reading by Mrs. Harleigh Brown, and a group of songs by Miss Beatrice Blohm, all of which were heartily enjoyed. To close the evening properly, refreshments of Christmas cakes and chocolate were served by the entertainment committee. Christmas bells were used in decoration, with the green of the English ivy, making the club center very festive.

Y. P. Missionary Society—

The Young Peoples Missionary Society held their regular meeting this week at the home of Miss Helen Hartley on West Ninth street. After a short business session, a jolly social hour was enjoyed by the following members: Mrs. L. E. Moser, Mrs. Farmer, Mrs. Wright, Miss Nellie Cooley, Miss Edna Large, Miss Alveda Farmer, Miss Lela Farmer, Miss Elta Brockman, Miss Ruby Moser, Miss Iva Goodban, Miss Avie Springer, Miss Elizabeth Fossett, Mr. Sumner Reynolds, Mr. Howard Engle and Mr. Cleo Moser.

Mrs. Redmon Hostess—

The East Side Circle of the M. E. Church met at the home of Mrs. Redmon, Dec. 3rd, the ladies enjoying a very pleasant afternoon. Mrs. Ham led the devotional exercises and Mrs. Getty gave a short address reviewing the life of Florence Nightingale. There was a surprise in store for the guests, Mrs. Redmon serving most tempting refreshments. Social afternoon and fancy work filled in a portion of the afternoon.

T. M. Nichols and wife moved yesterday into the former Minis house on First avenue.

SOCIETY

Woman's Club Notes—

A burlesque, "The Masculine Idea of a Woman's Club," was put on at the Woman's Club by the members for the amusement of the husbands who were the guests of the club on Tuesday evening. The entertainment committee, composed of Mrs. Farmer, Miss Ethel Leeke, and Mrs. Wiley Mather, were responsible for the idea of getting up the burlesque as well as the writing of it. The "Was Too" Club was called to order, minutes were read, reports of committees, etc., all carried on just as "our husbands" think it is, and seemed to please the husbands. The cast of characters was as follows: Mrs. Chauncey Olcott, president; Mrs. R. C. Norton. Miss Amanda Holliday, secretary; Mrs. F. H. Manker. Mrs. John Huntington Bangs, treasurer; Mrs. J. F. Sawyer. Members—Mrs. Hudson Hendrick Van de Dyne, Mrs. Harleigh Brown, Miss Lulu Looker, Mrs. W. R. Farmer, Mrs. Julia Simpkins (widow), Miss Ethel Leeke, Miss Anita Souful, Mrs. V. H. Wilson; Mrs. Lowell Winthrop, Mrs. W. A. Getty; Miss June Delight, Mrs. W. W. Mather; Miss Jane Griggs, Mrs. A. J. Handley; Mrs. John C. Perkins, Mrs. Wm. Tuttle; Mrs. James Beveridge, speaker, Mrs. H. W. Hawkinson. The woman who never did anything in public because of bashfulness, the contrary woman, the woman whose dear lamented husband never allowed her to mix in politics, the one who 'since her affair with Charlie Simpkins takes no interest in men,' the teacher who always

SAFE, GENTLE REMEDY BRINGS SURE RELIEF

For 200 years GOLD MEDAL Haemorrhoid Ointment has enabled suffering humanity to withstand attacks of kidney, liver, bladder and stomach troubles and all diseases connected with the urinary organs and to build up and restore to health organs weakened by disease. These most important organs must be watched, because they filter and purify the blood; unless they do their work you are doomed. Weariness, sleeplessness, nervousness, dizziness, backache, stomach troubles, pains in the joints and lower abdomen, gravel, difficulty when urinating, rheumatism, retention and lumbago all warn you of trouble with your kidneys. GOLD MEDAL Haemorrhoid Ointment is the remedy you need. Take three or four every day. The healing oil seeps into the cells and lining of the kidneys and drives out the poisons. New life and health will surely follow. When your normal vigor has been restored continue treatment for a while to keep yourself in condition and prevent a return of the disease. Don't wait until you are incapable of fighting. Start taking GOLD MEDAL Haemorrhoid Ointment today. Your druggist will cheerfully refund your money if you are not satisfied with results. But be sure to get the original importation of GOLD MEDAL and accept no substitutes. In three sizes. Sealed packages. GOLD MEDAL Haemorrhoid Ointment.

In their lodge room last Wednesday night, Upland Lodge F. and A. M. conferred the second degree of Masonry and this same degree will be put on next Monday night at 7:45. All visiting Masons are cordially invited to be present.

Euclid Lodge, No. 68, I. O. O. F., at their regular meeting Tuesday night, which was largely attended, six new candidates were initiated into the second degree. On next Tuesday, Dec. 15, the third degree will be conferred on six candidates. Members are requested to be present, and all Odd Fellows are welcomed.

Christmas fruit cake now ready at Danner's Bakery. 32tf

Mrs. J. B. Dixon has purchased the former Ball residence just east of the Eymann Lumber Co. and the Dixons are now nicely located in their new home.

Dr. W. H. Craig, dentist, is now located in Upland, his office being the first door south of Grahame's automobile supply station. Awaiting the arrival of his office fixtures, Howard has been practicing in San Bernardino, but is now located in his own office. We now have Dr. John, Dr. Mary and last but not least Dr. Wm. H. The News editor has decided to wait until Dr. Tom hangs out his shingle before enjoying ill-health.

Buy at Kintzi's Groceries and save money by paying cash. 32tf
G. B. Bower has just installed a new jeweler's glass case to receive the lovely cut glass ware coming for the Christmas trade. The case was made by W. L. Stauffer.

Alan F. Riley, who was operated on last week for appendicitis, at the San Antonio Hospital, continues to improve, and is expected to be able to come home next week.

Born—To the wife of Chester Thompson, November 26th, a son, Charles Robert.

W. C. Riley spent Thursday in the city, on business.

Dr. and Mrs. A. J. Colgan, who recently purchased the Fetrov bungalow on East Eleventh street, are now busy moving and expect to be comfortably settled before long.

Mrs. George Beard of Denison, Kansas, who has been visiting her son and daughter-in-law, Mr. and Mrs. Robert Beard, on 21st street for the past week, is now the guest of Mrs. John Beard and family on East 11th street.

We do more picture framing every day. Sikes-Manker Co. 32tf

P. W. Tonnason of Los Angeles was a visitor to Upland yesterday.

Mr. and Mrs. Harold Moore are moving today into the house they bought a few weeks ago from E. O. Bowden, on Euclid avenue.

Mr. and Mrs. G. W. Benson, father and mother of A. W. Benson, arrived yesterday from Earlham, Iowa, to spend the winter here. Mr. Edgar B. Benson, their son, who spent last winter in Upland, accompanied them. Mr. Benson was so pleased with his visit to Upland that he is delighted to be here again and may stay permanently.

Among those registered at the Upland Tavern this week are William Bottner and son of Cedar Lake, Iowa; N. P. Carlson of Aberdeen, Washington; Peter and George Klassen of Altana, Manitoba; Mrs. J. H. Laughlin of Berkeley; James Heinen of Minneapolis.

The Rev. R. P. Eubanks was a visitor to Los Angeles on Wednesday and spent the day assisting the Rev. Robert Renssion of that city with his mission work. Next Sunday Mr. Eubanks will preach for Dr. Renssion at Eagle Rock.

Best grade of coffee; complete line of fresh groceries at Kintzi's Groceries. 32tf

Wm. Jackson of Maywood, Ark., has purchased of Miss Lena Erickson the Erickson residence at the corner of Eighth avenue and East Ninth.

Mr. and Mrs. C. E. Soares motored over from Whittier this week and visited at the home of Mr. and Mrs. O. K. Granger on San Antonio Heights.

Mrs. Sigg of the Los Angeles Home of Truth will be the speaker next Sunday afternoon at 3 o'clock in the New Thought rooms, 18 and 19, Euclid Savings Bank building, corner of A street and Euclid avenue, Ontario. The library is open every afternoon during the week and people are very welcome to come and read the books and magazines which may also be taken home and read at their leisure.

Fresh milk, butter, peanut butter and butter substitutes, that give satisfaction, at Kintzi's Groceries. 32tf

The residence recently bought by H. O. Blohm on First avenue is undergoing many alterations and when finished will be a very attractive and comfortable home. Mr. and Mrs. Blohm hope to be able to move into their new house early next month.

Mrs. J. H. Tracy leaves next Sunday for Rochester, N. Y., where she will spend the Christmas season with her mother. Mrs. Tracy will be accompanied by her sister, Mrs. Ira Shirley, of Los Angeles. They plan to return to California the end of January, stopping at Palm Beach on their way home, for a short visit.

Get your order in early for picture framing for Christmas. Sikes-Manker Co. 32tf
Chris Miller has purchased from Henry Klindt the house, and lots on First avenue and F street where Mr. Miller and his family have been living for the past year.

G. H. Hecke, state commissioner of horticulture, and Harry S. Smith, superintendent of the insectary, of Sacramento, Cal., were visitors here Wednesday, inspecting Upland's new insectary. New equipment has been installed and the inspectors pronounced it fine.

Hot bread and rolls every afternoon at Danner's Bakery. 32tf
Frank Rankin of Whittier visited F. A. Ross, of Ross Confectionery, on Wednesday.

Mr. and Mrs. Carl Nelson moved yesterday into the new home on First avenue, which they purchased recently from Mrs. Harmon. Mrs. Rainwater will occupy the house the Nelsons are vacating.

Mr. and Mrs. Wesley Plum, Mrs. A. C. Burkholder and Miss Jennie Plum drove to Los Angeles yesterday.

Mrs. E. A. Cooley spent Thursday in the city.

Mr. and Mrs. W. L. Brown were visitors to Los Angeles yesterday.

AUTOISTS WELCOME NEW "GREEN SEAL" BATTERY

Automobile drivers throughout So. California are welcoming the new "Green Seal" battery as the most economical yet placed on the market. The fact that the battery is virtually made the same day that you put it in your car, has attracted the attention of hundreds of motorists all over the Southland who at first wonder how such a thing is possible in battery construction, considering that Southern California is some two thousand miles removed from the Prest-O-Lite factory at Indianapolis.

"It is just this way," remarked W. F. Cooper, local distributor for the Prest-O-Lite Green Seal battery, "the secret of success of the Green Seal lies in a perfected process of manufacture which permits the shipping of the battery without being charged or filled at the factory. It is a well-known fact among motorists that deterioration of the component parts of a battery is caused by the action of the acid upon the electrodes or plates of the interior. The Prest-O-Lite Green Seal Battery is made dry at the factory and shipped assembled ready to receive the acid and charge for the first time at our service station the day it goes into your car. That means that you get a fresh battery, newly charged the day that it is connected up."

Get Your Envelopes at the News Office

Cucamonga District

Mrs. S. S. Dean, who has been visiting her daughter, Mrs. Leon F. Lucas, the past few months, has returned to her home in Pomona.

H. H. Thomas and Harry I. de

Berard were transacting business in the Angel City last Thursday.

Miss Grace Markham returned to Los Angeles Sunday with Miss Besie Stipe, who has been spending the week-end at home here. Miss Markham remained over until the day following.

Mr. and Mrs. Hoffman and baby, of Long Beach, were Sunday visitors at the home of Mrs. Hoffman's father, F. M. Garrard. Miss Maud

Garrard is still at Big Bear Valley where she is visiting her sister, Mrs. Theodore Krysto.

Mr. and Mrs. James Sharp and daughter, Miss Clara Young, were Sunday guests of Mr. and Mrs. E. B. Dukeman, of Los Angeles, motor-ing in.

Favorable weather permitting, Mr. and Mrs. W. H. Stipe expect to move into their new home on Turner avenue this week. The new dairy build-

ings having cement floors have taken more time to dry in damp weather.

Phillip Wangler has been down in Orange the past several weeks busy in the fruit packing business. He is expected home at Christmas time.

The Cucamonga Woman's Club was entertained yesterday afternoon at the home of Mrs. H. L. Salisbury, of Alta Loma, with Mrs. E. S. Bishop assisting.

Mr. and Mrs. Harry I. de Berard journeyed in to the City of the Angels Saturday on business and shopping.

W. A. Lucas and A. J. Worthington transacted business in Los Angeles Monday.

Mr. and Mrs. E. S. Bishop spent Wednesday to Sunday evening in Los Angeles, the latter the guest of Mrs. A. L. Miller at her home in South Pasadena.

Mr. John Whitson attended the three day session of the State Sunday School Convention, which was held in Whittier last week.

Mrs. Marie Moeller spent Thursday to Monday visiting her sister, Mrs. Arthur Frause, in Los Angeles, last week.

Mrs. Sam C. Whitson and daughter Eleanor left on Tuesday for a several days' visit at the home of a friend, Mrs. Grace Armstrong, in Los Angeles.

Mr. and Mrs. Arthur M. de Berard entertained at dinner Sunday, their uncle and aunt, Mr. and Mrs. Frank Whitney, of Ontario.

Frank S. Thorpe, of Alta Loma, with his associates, Harry Reedy and Paul Drescher, form the staff in charge of the new Standard Oil service station in Ontario, corner of A street and Palm avenue.

The South Side school was closed all day Tuesday owing to the death and funeral services on that day of the late M. S. McCord, father of Miss Mary McCord, principal of the school. Trustee V. G. Lucas, and the teachers, Misses Helene Small, Clara Taverner and Margaret Connors, motored in to Highland Park, Los Angeles, to attend the last sad rites, which were held at 10:30 Tuesday morning at the Cresce funeral chapel.

A fine baby daughter, Mary Ellen, arrived on Tuesday of last week at the San Antonio hospital for Mr. and Mrs. John Rahn, of San Bernardino avenue. The tiny miss is a granddaughter of Mrs. Lizzie Weber. Both she and her mother are getting along nicely.

Attending the Tuesday afternoon meeting of the Ontario Current Events Club held at the Hotel El Comodoro, were Mrs. Mary J. Reid, Miss Gertrude Reid, Mrs. W. H. Converse, Mrs. H. L. Salisbury, Mrs. Harry I. de Berard, Mrs. Arthur de Berard, Mrs. F. A. Lucas, Mrs. Sam C. Whitson and Mrs. E. S. Bishop.

The program was of unusual interest, featuring a splendid address on "Old California History and Landmarks," by Mrs. Florence Dodson-Schonehan, formerly of San Bernardino and a daughter of the donor, now of Los Angeles and the Sepulveda Ranch near San Pedro, who appeared in a gorgeous silk gown be-

longing to her Spanish grandmother, with amethyst jewelry to correspond, and purple velvet mantle originating from Paris many years ago for the Spanish grandame. Accompanying Mrs. Schonehan was her cousin, Senorita Planita Sepulveda, a beautiful young singer and exponent of the Spanish dances, who is to leave at once for a professional life on the Orpheum Circuit. Mrs. J. H. Williams was one of the hostesses of the afternoon.

W. B. Harvey purchased last week the eight acre orange and lemon grove improved with five dwellings

fronting on San Bernardino avenue, of A. J. Worthington. The latter will give possession by the first of the year, when he expects to move his family to Los Angeles where he has purchased a nice home near their old friends, the R. E. Gilberts.

Mrs. Worthington has been very ill for some time, but has been showing marked improvement until just recently, when reported not quite so well, but it is hoped will soon be able to leave for her new home.

Their many friends regret to see them leave the old home where they have lived so long, but wish them health and prosperity in their Los Angeles home. Mr. Harvey will continue in the garage business as before.

J. H. Donner has sold his Upland residence and is now completing a beautiful home of the Swiss chalet type, on Amethyst avenue, Alta Loma.

Miss Eleanor Albert was a recent visitor to the Angel City, spending several days shopping and taking in the various amusements along the "Rialto."

Mrs. H. L. Salisbury returned from Los Angeles last Thursday, after a week's visit with her sister, Mrs. Franklin Roth.

Mr. George Keyes and daughter, Miss Helen, were on the sick list last week, suffering from the little ailment which seems to be going the rounds, colds and sore throats.

Mr. and Mrs. W. A. Milner are expecting their son and wife, Mr. and Mrs. Harry Milner, of Inglewood, out for the week-end.

W. E. Morse, who was detained by business connected with his cattle ranch at Gillette, Wyo., is expected to join his family here before the Christmas holidays.

Mrs. W. H. Rupp and daughter, Miss Marybelle, were confined to their home last week with severe colds and general indisposition, but are feeling much improved at this writing.

Mrs. Chas. M. Harris entertained with an informal little dinner party last Thursday evening at her home on East Eighth street, covers being placed for Mrs. E. S. Allen, Misses Eleanor Albert, Lillian Anglin, Alice and Esther Harris, after which the young ladies enjoyed an evening of music and social chat.

Henry Albert, Jr., was a guest at a delightful dinner party given by Mr. and Mrs. E. H. Gammon at their home in Pomona last Sunday in honor of the returned soldiers from overseas. Covers were indicated for fifteen doughboys, who greatly enjoyed the beautiful "spread" and afternoon of reminiscence of the fighting days in France.

The many friends and pupils of Miss Mary McCord, principal of the Cucamonga South Side school, will sympathize deeply with her in the loss of her father, the late Mobery S. McCord, of 1600 North avenue, 54, Los Angeles, whose sudden death occurred last Saturday morning in that city. Mr. McCord had complained some time previously of stomach trouble, but it was not thought at all serious; on Saturday morning, busy at the store where he was employed, he was smitten with heart failure, supposedly caused by an attack of acute indigestion, fell to the floor and expired before help could reach him. His sudden passing came as a great shock to his family. He leaves a widow, one son, Reg. Serg. Major Harold F. McCord, but recently returned from a year's service in Siberia, and one daughter, Miss Mary McCord. The latter, with her friend, Miss Clara Taverner, were at the family home spending the week-end holiday.

In spite of the rainy weather prevailing last Friday evening, the reception at the Methodist church in honor of the new pastor and his wife, Rev. E. Sedweek and Mrs. Sedweek, was well attended and a very enjoyable social evening, with a brief musical program, followed by tempting refreshments of cake and cocoa served by the church ladies in the parlors of the church, brought all in closer touch with the honorees, always of mutual benefit to the pastor and his flock, all of which will help in the upbuilding of the church.

A day of pleasure spent with a cousin whom he had not seen for forty years, came very nearly ending disastrously for W. L. Dana, proprietor of the South Side Basket Grocery last Friday evening. Making the trip home on the interurban bus, Mr. Dana was thrown from the car, when the big bus traveling the boulevard between Pomona and Ontario, gave a sudden lurch and the door flew open; Mr. Dana, crowded close to the door, was precipitated to the pavement, striking in such a way as to cut a deep gash over the right eye and inflicting minor cuts and a badly bruised kneecap. He was taken to the doctor, where it required several stitches to close the cut on the head.

For some time after the fall, the injured man was unable to recall what had happened previously to the accident, but later memory returned and he is now doing nicely and feels thankful that the injuries received were no more serious than they appear to be at this time.

S. S. Chafe, Jr., eldest son of Mrs. Elizabeth Chafe, who lived and spent his school days here, but who since his marriage has been in business at Escondido where he now resides, had a thrilling experience recently which sounds like a chapter from the days of "49," or a movie stunt of the most exciting kind. Young Chafe was making the trip between Benardo and Escondido, driving his auto with the top down; going over the grade between the two valleys, he was startled by a queer thud behind him and glancing back was confronted by a fierce looking wildcat, which had dropped down on the car when it passed beneath the tree where the cat had taken lodging for the night. Chafe was unarmed, but he threw a big wrench at the animal, luckily hitting him squarely and stunning him enough so that with the aid of a heavy towing rope in the car, he finished the brute; to make sure, however, that all nine lives were gone forever, he placed the cat in the road and ran over it several times.
